Dear Commander Lasky:

Gamewardens of Vietnam's West Coast Chapter along with our National president Steve Watson, extend to you and all Special Boat Unit Twelve personnel our gratitude and appreciation for making this year's annual NAVSPECWARCOM Fourth of July exhibition a huge success.

We are pleased that our operational PBR played a contributing part in the Navy's SPECWARFARE impressive and ever popular annual demonstration of SBR-1's efficacy and strength. SBU 12's utilization of our PBR in this event provides the public an understanding of our past and serves as an impressive connection to the Navy's present warfare community. As forerunners to today's greatest combatant force it is gratifying to participate in these annual activities and work with such an accomplished group of military professionals. To this end, Gamewardens of Vietnam-West Coast Chapter would like to commend and thank the following personnel for their outstanding military bearing, courtesy, and dedication to duty commencing with pre-exhibition rehearsals and ending with SPECWARFARE's exhibition 04 July, 2000. Their able assistance in the maintenance, readiness, and competent operation of the PBR-Mark II (A) during this event has provided continuing awareness and historical preservation to one of the nation's oldest and continuously operated Vietnam veteran's organization.
This list includes but is not limited to the following United States Navy personnel as follows:

Lt. Usmar Sinkewitsch
ENC Michael A Loya
EN2 Henry Van Der Vliet
STG2 James Stiles
GM2 Kevin Baker
GM2 James Hutson
ISSN Phillip Elliot

Thank you for the contributions these outstanding people have made to our organization.

Respectfully,

Eugene B. Glasco
