**After Action Report
For December 9th, 2017. Work Party.
Submitted this date December 16th, 2017**

Ahoy River Rats and Friends !

Merry Christmas to all and Best Wishes for a Great New Year!

Your Hot News from the NW:

We had a work party last Saturday with a good turnout. We had a visit from Robert Osmond an RC modeler there to take pictures and measure for accuracy of his Scale Model MKI PBR that he is very carefully building.

Steve Morrison drove Dave Perry down for a visit. Dave has been battling cancer for quite some time and it was good to spend some time with him.

Bob made it back from his "house arrest" and physical therapy and he is planning to get back into the swing of things. He is making major strides on getting the J-boat operational. Many of our chapter members are in assistance in this endeavor looking forward to having a "two" boat patrol this next year.

Work projects accomplished

- 1) We removed all of the guns off of the OP Boat, Cleaned the guns and stored them all in the utility trailer for the season. This was an all hands effort.
- 2) Pressure washed the 5ton Tractor. Al Stephens and Mac McCormick did a great job!!
- 3) General clean-up and proper gear storage. This was an all hands effort also.
- 4) We pulled the utility trailer into the building for better security and weather protection.

We had a luncheon of seven bean soup and a stew prepared by Jamie and Patty Welsh. The food was great as usual. I brought a bunch of homemade cornbread that went well with the soup. A fun time was had by all.

Chapter annual calenday has been updated!

Be sure and make note of the summer activities on the new calendar and mark you vacations accordingly. We will need two crews to man the OP Boat the first week of June for the Rose Festival. Let me know if you will be able to help at the beginning of the week or the last part of the week.

Chapter Finances!

Many of you have stepped up and helped with the annual budget this month. Bob and I figure that we will be in the black through the summer months of this year. We will be able to raise funds at the summer activities and thereby secure a good financial footing for the coming year. Thanks for helping us out guys, let's keep supporting our history. Bob will be sending out the end of the year statements.

The next work party is January 20th
Take care and will see you soon,
Steve Sumrall
